

**Descent:** hike down ridge for several hundred meters. When it narrows, stay left and look for 2-bolt anchor. One 22m rap, then a short one from a sling takes you into a gully. Follow trail in gully out to N. face and back to base of route.

**Gear:**  
 50m rope (min.)  
 2 each wires, very small to medium  
 Active cams to 3", 2 each in mid sizes  
 8 slings, 6 draws  
 cordalettes

**Hallett Peak**  
**Culp-Bossier Route**
